The Bangalore Opportunity

Why Invest in the Silicon Valley of India?

IT & Startup Hub

Bangalore continues to lead India in **IT exports** and startup growth, attracting a global workforce and massive corporate investment.

Strategic Demand

High demand for **premium residential** and commercial spaces in strategic corridors, driven by infrastructure expansion and lifestyle needs.

Capital Growth

Consistent year-on-year **capital appreciation** in emerging micro-markets, offering investors a secure path to wealth creation.

Investor Value Proposition

Secure, High-Yield Investment Opportunities

18% P.A.

Annual Interest

Prorated and paid monthly, providing consistent cash flow for investors.

e.g., 1 Cr investment =
1.5 Lakh monthly payout

100% SAFE

Capital Security

Full refund upon project completion or the flexible option to rollover to the next project.

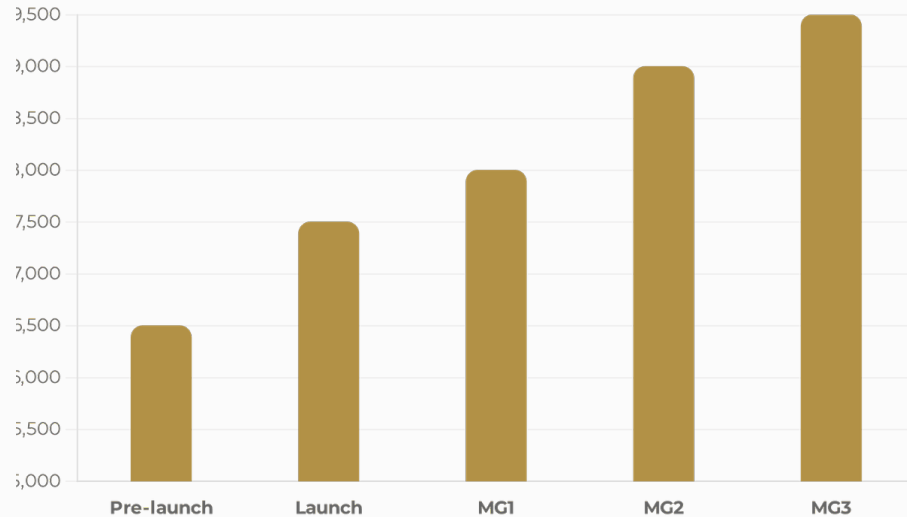

PRE-LAUNCH

Asset Allocation

Units allocated at pre-launch prices with the complete flexibility to sell at any stage.

Appreciation Roadmap

Strategic Growth from Pre-launch to Maturity

Pre-launch (Pre-RERA)

The ground-floor entry point at ₹6,500/sqft.

Launch (Post-RERA)

Immediate value realisation at ₹7,500/sqft.

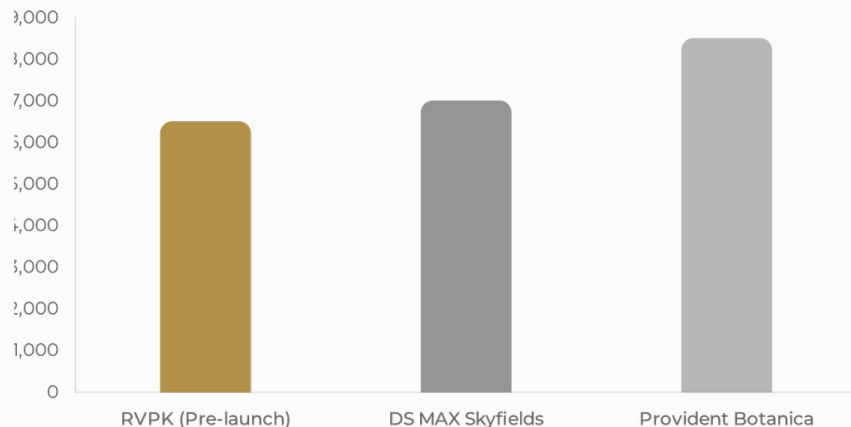

Maturity Gates (MG1-MG3)

Gradual appreciation reaching ₹9,500/sqft.

Competitive Advantage

Exceptional Value Compared to Market Peers

Market Price Comparison (₹/sqft)

RVPK Entry Point

Strategically priced at ₹6,500/sqft to ensure maximum investor upside from day one.

Market Benchmarks

Competitors like DS MAX and Provident Botanica show established price points between ₹7,000 - ₹9,000/sqft.

Value Unlocked

Immediate equity gain upon RERA launch as prices move toward market parity.

Strategic Project Locations

Selecting High-Growth Corridors for Maximum ROI

IT Hub Proximity

Strategic placement near major Bangalore IT corridors, ensuring high rental demand and consistent capital appreciation from the tech workforce.

Infrastructure Growth

Focus on areas with upcoming metro connectivity, peripheral ring roads, and major infrastructure projects that drive exponential land value growth.

Lifestyle & Greenery

Curating locations that balance urban connectivity with lifestyle amenities, open spaces, and sustainable living environments for modern families.

Legacy & Trust

A Proven Track Record of Delivering Excellence

Proven Track Record

26 years of collective experience with a successful portfolio of landmark projects.

Sai Nikethan • Satyam Resorts • Prime Mansion
